

You are invited to a Neighborhood Ready! meeting

The reality is neighborhoods may need to respond to fire, injuries and leaking natural gas during disasters. This meeting will help us know how. Please come!

What is a disaster? Disasters, by definition, are events that overwhelm police, fire, and medical 911 emergency responders.

Why attend a Neighborhood Ready! meeting? This program helps us organize a timely response to disaster when 911 is unavailable. All of us, working together, can reduce the serious consequences of disaster in our neighborhood.

What will we do?

- We will learn a 9-step Neighborhood Response Plan that immediately helps us know what to do – both at home and in the neighborhood – to respond to injuries, leaking natural gas, and assisting people who may be alone and frightened. The process is proven, fun, and easy.
- We will “mine” our neighborhood for its valuable assets during a disaster, including the skills and equipment we jointly possess that we are willing to share.
- We will map our neighborhood’s natural gas meters and propane tank locations so we can quickly respond to leaking gas and reduce the leaking gas and reduce the threat of fire.

BONUS: We will develop a neighborhood map, contact list, and skills and equipment inventory.

Help to create a more connected, caring, and resilient neighborhood. Join us!

DATE:

TIME:

PLACE*:

RSVP:

*Either host the meeting in an outdoor area capable of social distancing or request a Zoom meeting be set up by the speaker. Be sure to request your neighbor’s emails & phone numbers, so you can send them a reminder, and if the meeting is on Zoom, you can send them the zoom meeting or registration link.

Cedar Hills Ready! Our mission is to create more connected, caring, and resilient neighbors.
